

## Luxury Sailing Yacht

This ship is an 118 footer (36mt), large volume, for luxury sailing charter, executed in 2000 with a classic schooner profile.

The interior styling is spacious and peaceful, with a large open space saloon.

A classic yacht style, with mahogany wood wall coverings, smart, casual and bright silver upholsteries giving a relaxed comfortable ambiance to the elegant "Classic Yachting" way of life.

The vast deck areas afford a variety of living, dining and relaxation spaces – choose a private and peaceful corner, or congregate in a comfortable social environment.

During a large refit (more than one year), the ship was equipped with the latest technology.
